

Paint Party

Young Visionaries will be having a Paint and Remodel Party at our new employment development location. "You are invited", we are looking for you to come out show your volunteerism and help Young Visionaries to beautify this new location. We are also asking that you donate materials to make this day a success. We will also be having a cook out that day to feed everyone that came out to support and help out.

The wish lists of materials that we need for that day are:

- 5 gallons of Ballroom Blue Paint (from Behr)
- 5 gallons of Signature Blue Paint (from Behr)
- Paintbrushes/Rollers
- Paint tape (blue)
- Sandpaper (#3)
- 2 gallons of wall texturing
- Paint trays
- Hand sanders
- Drywall mud

Your help with our program would go a long way. Please feel free to contact Terrance Stone CEO of Young Visionaries for further information at tstone@yvyla-ie.org or direct (909)222-0096
